FREIGHT POLICY

EFFECTIVE DATE: FEBRUARY 1, 2025

To all Ellis customers:

This letter is to serve as notice that Ellis manufacturing and sales Company has changed its freight billing policy. The effective date will Commence on February 1, 2025.

Terms and conditions are listed below:

1. All freight charges of purchases \$1,250.00 or more will be paid by Ellis Manufacturing or sales company provided they ship normal ups delivery.
2. All freight charges of purchases \$1249.99 or less will be paid by the purchaser.
3. Special shipping arrangements will be paid by the purchaser regardless of the purchase amount. This will include: next day air, 2nd day air, 3 day select, any items shipped on LTL truck motor freight, and any shipments out of the U.S.
4. The purchaser will be responsible for any freight charges on downhole pump barrels, plungers, extensions, gas anchors, seat nipples and tac's, no matter the amount of purchase.
5. Ellis vehicles deliver in the Permian basin, eastern new Mexico, Oklahoma, North Texas, north Dakota, Montana, Wyoming, Utah, Colorado and Nebraska, and will have no charge to the purchaser for any of our items, granted we are going to that location that day.

We appreciate your continued support and look forward to serving

You in years to come.

Respectfully submitted,

Randall Blau

National sales manager
